

Office Memorandum • UNITED STATES GOVERNMENT

SECRET

TO : Chief, Appraisal Section

DATE: 26 June 1961

FROM : Thomas J. McGrath

SUBJECT: BUSTOS-VIDELA, Charlotte Louise Zehrung - #56840

1. Appraisal action in Subject's case is based on limited checks and field investigation which has recently been conducted on Subject's spouse, Cesar Bustos-Videla - #187652, an individual who was approved for USJPRS in July 1960.

2. Subject is 32 years of age and has been employed by this Agency since 1951. She is an Intelligence Officer (FI), GS-12, DDP/WH, Washington, D. C. She was indoctrinated for Special Intelligence on 29 December 1960. Subject was married on 18 March 1961 and immediately thereafter she and her spouse took a two-month's trip to Western Europe, including West Germany.

3. Subject's spouse is 39 years of age and was born in Argentina. He entered the United States in 1951 and acquired United States citizenship in 1956. Subject's mother-in-law is an Argentine citizen and resides in Argentina. Subject has seven brothers-in-law and three sisters-in-law, all of whom are Argentine nationals residing in Argentina. From 1945 to 1958 Subject's spouse was employed by the Argentine Air Force. He was stationed in Washington, D. C. with the Argentine Air Attache's Office from 1951 to 1958. In 1959 Subject's spouse reportedly attended George Washington University in Washington, D. C. During 1960 he was apparently a contract employee (interpreter) with ICA. At the present time Subject's spouse is reportedly employed by Frederick W. Berens, Rockville, Maryland.

4. National Agency checks conducted at FBI, I&NS and ICA (SY) were either favorable or negative concerning Subject's spouse. Neighborhood investigation and police and credit checks at Washington, D. C. were favorable regarding Subject's spouse.

5. RI checks were negative concerning Subject's spouse and his close relatives. Source K checks reflect reference to one Brigadier Major Armando Enrique Bustos-Videla, who, as of September 1955, was serving as Chief of the Argentine Air Force General Staff. It has not been determined if this individual is identical to Armando Bustos-Videla, one of the brothers of Subject's spouse.

6. Source K records also reflect reference to one Armando Bustos, Rector of the University of Cordoba, who may or may not be identical to one of the brothers of Subject's spouse.

7. I&NS records reflect that Subject's spouse was married to one Clotilde Pascual (NR - OS Indices) on 27 February 1958. These records further reflect that Subject's spouse has a daughter, Sylvia Alicia Bustos, born in 1952 at Washington, D. C.

memo
above

8. Neither Subject's security file nor the file of Subject's spouse contains any record of the divorce of Subject's spouse from Clotilde Pascual. Subject has not submitted an Appendix I signed by her spouse.

9. In order to bring Subject's security file up to date, it is recommended that Subject be interviewed by a representative of this Division and that the following points be covered with her:

- A) Subject should be asked to provide more complete biographic data concerning her in-laws, specifically the ages and occupations of each individual.
- B) Subject should be queried in particular regarding any further knowledge she may have of her brother-in-law, Armando Bustos-Videla.
- C) Information should be secured from Subject concerning any knowledge she may have regarding the connections of any of her relatives with the Argentine government.
- D) Discreet inquiry should be made of the date and place of the divorce of Subject's spouse from Clotilde Pascual.
- E) Discreet inquiry should be made regarding the parentage of Sylvia Alicia Bustos.
- F) Subject should be furnished an Appendix I to be signed by her and her spouse.
